

PPR REQUEST FORM Kirby Lake Aerodrome (CRL4)

(Version 5.3)

*****NEW AWOS FREQUENCY 122.175*****

All aircraft arriving or departing the Kirby Lake Aerodrome (CRL4), must obtain Prior Permission (PPR) a minimum of 24 hours in advance in all instances. No PPR is valid until it is approved and returned to the requesting party by Devon and/or North Cariboo Air. Fees will be applied as per the Kirby Lake Aerodrome User Agreement.

Please complete the information and send it to the email addresses below:

Email: kirbylakeaerodrome@flynca.com, dispatch@flynca.com, gavin.lange@dvn.com

****PLEASE NOTE**:** To ensure adequate aerodrome safety at Kirby Lake (CRL4), arrival or departure PPR's that are +/- 30 minutes outside of the approved PPR time must be up-dated. Failure to amend early or late arrivals/departures **may result in cancellation** of the PPR. Initial radio communications must be established with Kirby Lake **UNICOM on 123.35** a minimum of 20 minutes prior to arrival. Fixed wing pilots will complete position reports at 30, 19 and 5 nautical miles from CRL4 and when completing their approach to ensure other aircraft are aware of their position. Rotary wing aircraft must respond to each fixed wing position report with an update of their current position over the radio. Arriving aircraft that are unable to establish contact with Kirby Lake **UNICOM on 123.35** must not land and should proceed on to their first alternate.

****MEDICAL EVACUATIONS**** are PPR exempt and will be handled as the situation dictates.

In the case of a **MEDEVAC**, please call the Kirby Lake (CRL4) airport directly at 1-780-215-3169 or North Cariboo Air Dispatch at 1-855-992-3477- to coordinate the arrival and departure.
